A sensory bliss with Pellicano Hotels

Rome, 6th August 2024 – The natural gifts around our hotels play a vital role in enhancing the well-being activities: the lush gardens of La Posta Vecchia and Hotel Il Pellicano yield quintessential ingredients for the treatments as well as the Ischian thermal waters at Mezzatorre Hotel & Thermal SPA. This fall, Pellicano Hotels is excited to unveil a series of exclusive Beauty Retreats perfect for guests seeking a well-deserved weekend or overnight escape.

Pampering at La Posta Vecchia

Inspired by ancient natural beauty principles and ingredients that nourish the skin and delight all senses, our therapists at **La Posta Vecchia** Beauty Club have crafted a luxurious 60-minute **'Pure Treatment'.** The indulgent experience features genuine ingredients such as salt for purification, rosemary from the villa's garden to enhance whole-body circulation, rose petals rich in vitamins A and C for a radiant complexion, and hydrating cold-pressed sesame oil. As part of the new **Energising Body and Soul Retreat**, the Pure Treatment is available exclusively at La Posta Vecchia.

The essence of wellbeing at Mezzatorre Hotel & Thermal SPA

The restorative powers of Ischia's thermal springs are renowned and integral to the island's spa culture which has captivated locals and visitors for centuries. At **Mezzatorre Thermal Spa**, thermal water is a key component in several signature treatments, including the 45-minute **'Energising Treatment',** featured in the **Energising Body and Soul Retreat.** The session consists of cleansing, deep exfoliation, and a calming massage, all using natural products made with thermal water and other organic ingredients.

Relaxing retreat at Hotel Il Pellicano

Whether it's a relaxing massage or a long rejuvenating bath, the expert therapists at the iconic Pelliclub create new treatments every autumn, inspired by the wonderful variety of seasonal and aromatic ingredients found in the garden. At **Hotel Il Pellicano** the new **Beauty Retreat** invites guests to experience **'The Queen's Aromatic Massage'**, a treatment which combines a soothing massage with a complete sensory delight featuring natural essences of lavender and orange blossom by the infamous Florentine apothecary Santa Maria Novella.

This October, our guests can pamper in a sensory bliss with our Beauty Retreats complete with a one-night stay for two, breakfast included and a magical welcome aperitivo.

Please contact our reservations team to book a Beauty Retreat at La Posta Vecchia Hotel, Mezzatorre Hotel & Thermal Spa, and Hotel Il Pellicano, for all the month of October 2024
