The 2026 Season Opens at Pellicano Hotels with Renewed Spaces and Enduring Glamour

Rome, March 10, 2026 - Pellicano Hotels Italy is preparing to welcome guests for the highly anticipated 2026 season, unveiling a series of refined enhancements across its three iconic retreats. La Posta Vecchia Hotel will open on 1st April, followed by Hotel Il Pellicano and Mezzatorre Hotel & Thermal Spa on 2nd April, marking the beginning of a new chapter defined by thoughtful restorations, elevated comfort, and timeless Italian glamour.

Overlooking the Tyrrhenian Sea, the Renaissance palazzo of La Posta Vecchia completes the final phase of its redesign with the debut of four newly reimagined suites. Rich textiles and bespoke details subtly elevate its historic charm with a renewed sense of comfort. Beneath the palazzo, the remarkable Roman archaeological museum has also been enhanced with new illumination, allowing guests to fully appreciate the extraordinary ancient artefacts discovered by Jean Paul Getty on the property. La Posta Vecchia is also enriching its beach club offerings, with access to the recently expanded Marina di San Nicola beach.

Hotel Il Pellicano continues its evolution with the refurbishment of 23 rooms and suites, gracefully blending its iconic 1960s allure with contemporary refinement. The pool and beach areas introduce elegant new umbrellas for the sun-soaked season ahead, while a fully renovated lift now seamlessly links the upper pool terrace to the hotel's private beach, enhancing the natural flow of the guest experience. ISSIMO Boutique has also been thoughtfully updated with new display furnishings and introduces a distinctive Cabinet of Curiosity, an intimate space showcasing rare and characterful pieces personally selected by Pellicano Hotels' CEO and Creative Director Marie-Louise Sciò.

On the island of Ischia, Mezzatorre Hotel & Thermal Spa begins the season with the renovation of sixteen rooms and suites, including the Grand Suite, introducing a refreshed and more modern feel to the interiors.

In 2026, Pellicano Hotels will once again bring together the creative talents of artisans, local producers, and distinguished chefs through a renewed calendar of collaborations. The season will unfold through a series of immersive experiences, including refined aperitivo moments centred on outstanding regional flavours, collaborative dining events, and curated trunkshows dedicated to exceptional craftsmanship.

Wellness continues to play an integral role in the experience across all three Pellicano Hotels, with a thoughtfully curated offering designed to enrich guests' sense of balance, relaxation and connection. This forms part of a wider collection of new initiatives shaping the 2026 season, which we look forward to unveiling soon.

Corporate social responsibility remains central to Pellicano Hotels' philosophy. Through *Il Dolce Far Bene*, its Green Globe-certified programme, the group advances environmental and

community initiatives, with a focus on sustainability, energy efficiency and reducing its environmental footprint.
